Orange badge

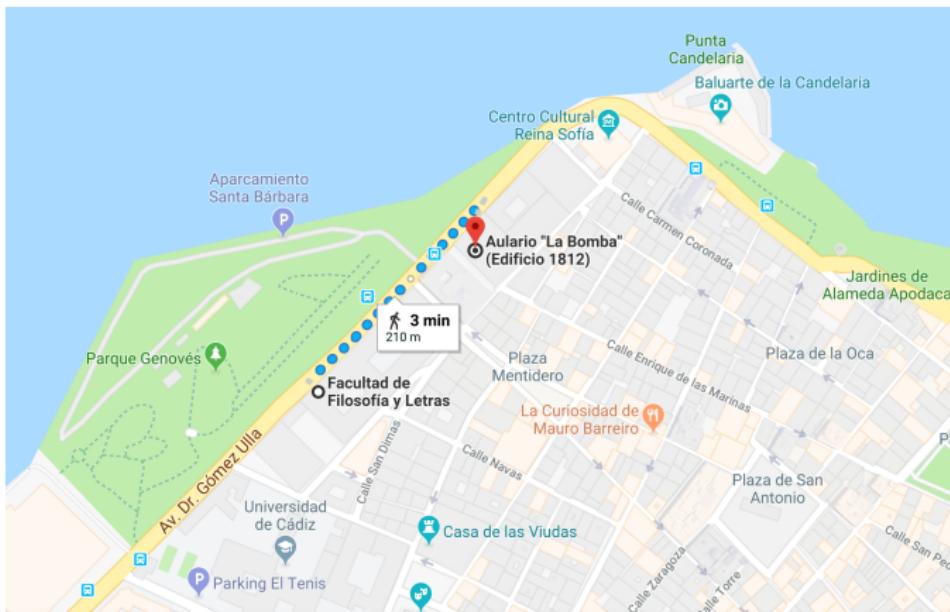

## Homage to Lotfi A. Zadeh

The following special activities have been scheduled, among others:

- A special panel session on the legacy of Lotfi Zadeh, in which panellists will speak of the scientific and application legacy of Lotfi Zadeh's ideas.
- The creation of the Lotfi A. Zadeh IPMU best paper award.
- A photo book illustrating the Lotfi A. Zadeh continued close relationship with IPMU participants.

Ronald R. Yager (Iona College, New York, USA), Bernadette Bouchon-Meunier (University Pierre et Marie Curie, France), Didier Dubois (IRIT, Toulouse, France), Janusz Kacprzyk (Polish Academy of Sciences, Warsaw, Poland), Rudolf Kruse (University of Magdeburg, Germany), and Luis Magdalena (Universidad Politécnica de Madrid, Spain).
